with Diffuser

Fragrant blessings for every hearth and home

This year, you can give almost everyone on your gift list a fragrant touch of vitality from Young Living®. We have everything from stocking stuffers to hostess gifts to special holiday gift sets.

While shopping with me isn't as "interactive" as the pre-holiday crush at the mall, you'll have your list checked off in minutes and extra time for decorating, baking, enjoying.

If your gift list (or wish list) is longer than this newsletter, shop the complete Young Living product line on my website. Don't forget to visit the Personal Care section, where great gifts abound.

Happy holidays to you and yours!

Gift Sets & Limited Editions

For those special people on your list, select from these holiday offers.

Diffuser & Three Free Essential Oils

Mist your holiday home with the rich aromas of **Christmas Spirit**, **Evergreen Essence** and **Citrus Fresh essential oil blends**, and you've set the stage for a beautiful celebration. Everyone feels at home, warmed by the scents of cinnamon and spice, revitalized by pine and citrus. And because diffusing Young Living essential oils cleans and purifies the air, you're sharing the great gift of health at the same time.

Diffusing spreads the therapeutic benefits of essential oils throughout your home in a micro-fine mist, improving the air quality and the health of your family. Especially helpful during the winter months, diffusing essential oils can reduce the number of coughs and colds.

If you don't diffuse essential oils yet, now is the time, because with every Complete Diffuser System, you'll receive these three essential oil blends free. A \$20 value!

Share this invaluable gift of health with those dear to you, too. Send them this top quality diffuser and free starter set of essential oils. They'll appreciate your gift more every day.

Complete Diffuser sets available in six colors, plus a **limited-edition** holiday red, while supplies last. Free gift bag.

Holiday Cooking Set

For the gourmets and grillmasters on your list, this holiday collection of essential oils and our organic sweetener will surprise and delight. No ordinary flavoring, this collection will make their holiday specialties **pop**. May I suggest Cinnamon, Clove and Orange essential oils in pumpkin and sweet potato pie? It's out of this world! (Four holiday recipes included with collection.)

This **limited-edition** collection features the seasonal oils of **Orange**, **Nutmeg**, **Clove**, **Cinnamon** & **Peppermint** plus delicious, low-glycemic sweetener **Blue Agave**. Use Blue Agave like honey for baking and cooking. Save 10% on the set and enjoy four new seasonal recipes **FREE!** Gift bag.

Essence of the Season

Beautifully gift-boxed, **Essence of the Season** is a great pleasure to give (and to receive).

Frankincense, Myrrh and **Christmas Spirit** essential oils are the treasures in this gift, which will be enjoyed now and all year long.

Frankincense & Myrrh are two of the most potent, powerful essential oils. Both have immune-building and skin revitalizing properties. Diffuse and apply topically.

For fragrant nights by the fire, place gum resins of Frankincense and Myrrh in the fireplace and in potpourri.
